Previous ISSUE Released at 11:30 AM (CANBERRA TIME) 10/10/2006

Summary

1997 Education and training Experience, Australia CURF Technical Paper

The 1997 Survey of Education and Training CURF contains 22,704 confidentialised respondent records. The data items on the file will include Age, Sex, Marital status, Birthplace, Year of arrival, Language first spoken, Whether had a disability, Occupation, Earnings, Organisation which provided vocational education or training, Educational qualifications, Current study, Work history, Training courses completed, Whether course was government sponsored, Employer financial support for the course, Whether course helped obtain a promotion, Whether enrolled for, but did not complete a course, Study for a qualification in the last 5 years, Reasons for non-completed qualifications, and Intended future study. In addition, a range of pre-defined populations will be included to assist in analysing the data.

About this Release

This replaces catalogue number 6278.0.30.001

Provides information about BASIC confidentialised unit record data from the 2005 Survey of Education and Training. Data was collected for all persons and focuses on level and field of educational attainment; participation in education and training; work history, including occupation and industry; current study; completed qualifications; details of training courses completed; training outcomes; access to education and training and employer support; access to education and training; unmet demand, and home access to a computer and the Internet. The BASIC SET CURF is available via CDROM or RADL as a Basic file only. The RADL is accessible for authorised users via the ABS web site and enables the ABS to make more detailed microdata available than on CD-ROM, while still maintaining the confidentiality of ABS data providers.
